VINIFICATION & AGING

Hand picked at perfect maturity, grapes are sorted when arriving in the cellar and directly pressed in a pneumatic press for 3 hours. The juice flows slowly into the vat. After 24 hours, the juice is racked and the fermentation at low temperature begins to protect all flavors. The ageing of the wines lasts almost 6 months on fine lees with regular stirring.

TASTING NOTES

Pale and bright color with green hints. Very aromatic nose on white orchard fruits (pear and peach) and lime notes. The mouth is fruity, showing a fine balance between richness and freshness, remains generous, round, without being heavy or alcoholic. It's a well-balanced wine, fine and elegant !

This 2020 vintage will be perfect with starters, grilled prawns 'à la plancha', asparagus risotto or even with a fresh goat cheese.
